Product Description

Bi-Ehealthcare D&M Man Premium is a male-specific incontinence product designed to offer discreet, reliable protection for various levels of incontinence. Its T-shaped pad is anatomically contoured for male users, ensuring a secure fit and freedom of movement. The micro-punctured top sheet combined with the Top-Dry layer enables rapid fluid dispersion and maintains a dry surface. An integrated barrier system with built-in side pockets provides enhanced leakage protection. The odour control system effectively minimizes unpleasant smells. And this product is manufactured from FSC-certified materials.
